

Mission Statement

The mission of the Linden Oaks Surgery Center Staff is to provide patients the highest quality care using innovative techniques that demonstrate excellence and compassion.

We are proud of our commitment to:

- Meet the health care needs of the community by including services to the underserved population without discrimination as to race, religion, sex, or ability to pay.
- Recruit and hire the most qualified surgeons and medical staff and maintain optimal work conditions.
- Adhere to ethical behavior and honesty.
- Use financial systems that generate medical cost-efficient solutions.
